

Helpful Child 4

One day our prophet saw a crying young maid.

He asked, "Why are you crying?"

The young girl said, "I lost my master's money."

Our prophet replaced it, but the girl still cried.

She was worried about her master's anger
because she was late. The Prophet held her hand and led
her home. When the master saw our prophet at the door,
he let the girl go. I greet you, oh dear prophet who loves
children and helping people,

Allahumma Salli Ala Sayyidina Muhammed.

Come on let's walk together.

Let's turn the pages.

Why should we keep on being helpful?

Let us color and learn.

Dear Mothers and Fathers,

Our children are the greatest treasure entrusted to us.

Our dream is to see that our children have the most beautiful manners.

The "Rose House Coloring Book Series" has focused on the behavior of our children and aimed to gain discipline in them.

This method of teaching these behaviors to preschool children by using coloring and activities is fun and efficient.

In order to use this set efficiently, we should follow the instruction.

Parents should guide their children.

Every page should be examined carefully.

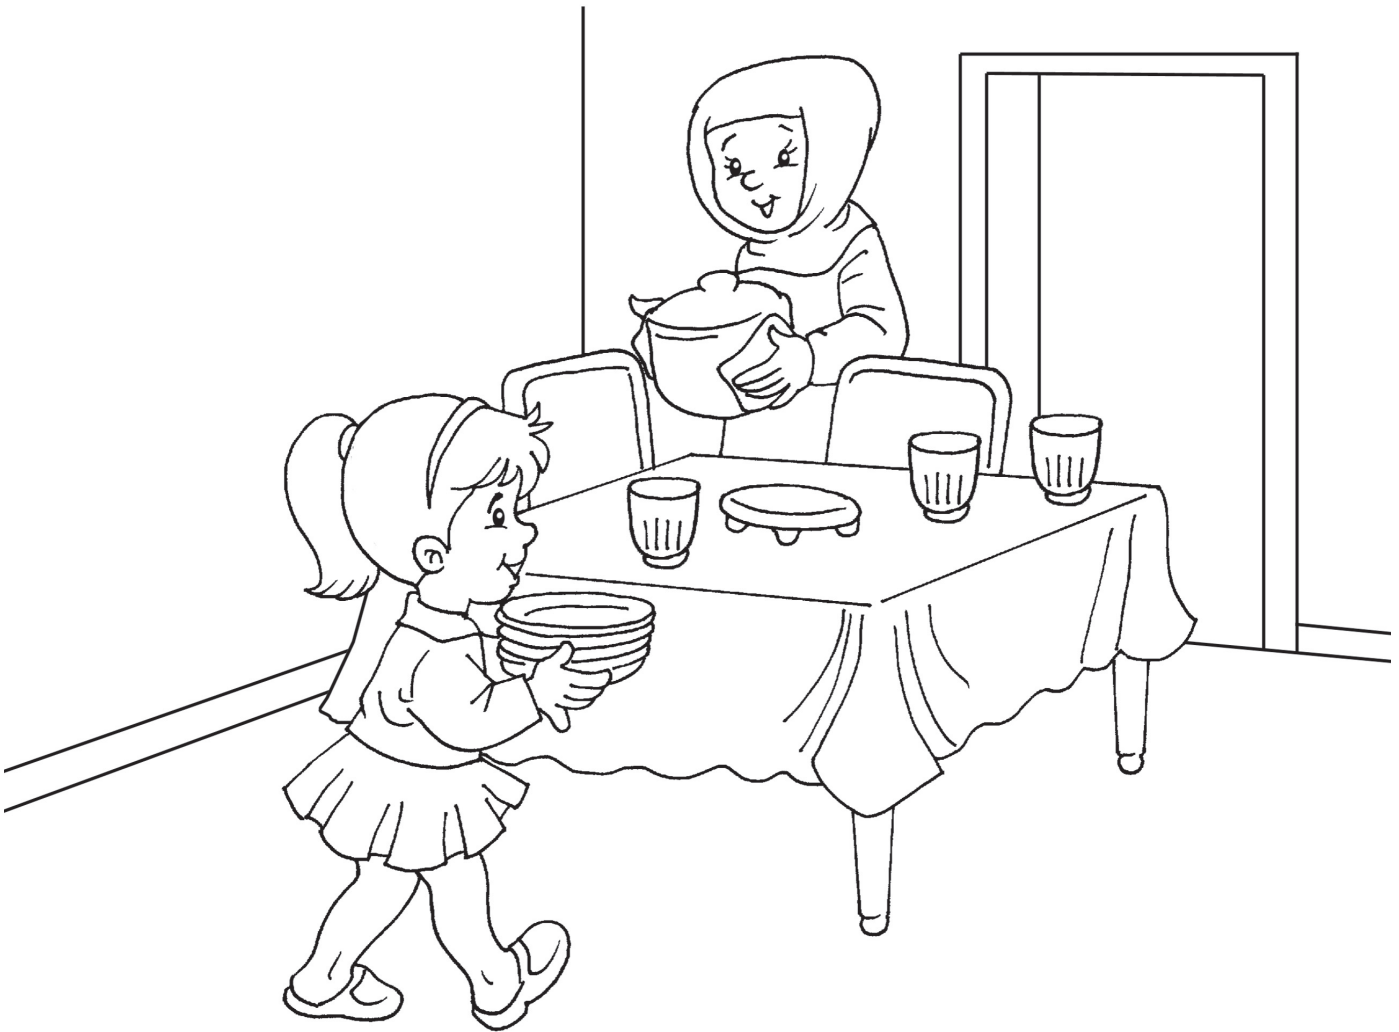

According to the behaviors mentioned in these pages, parents should exchange ideas with their child.

If we focus on these issues throughout each day, we can encourage display of the desired behavior.

We recommend that parents color the books with their child in order and one by one. Let us color, think, and apply...
